

MERRYFAIR PRODUCT FEATURE & SPECS

MODEL : OAHU (1101NAA00NA & 1105NAA00NA)

1. Seat shells of Injection-moulded PP (polypropylene) with additives for UV colour-fastness and fire resistance up to customer requirement. Low back (1105) and backless (1101) versions are available.
2. Flush front edge minimises hand grip area to prevent seat from being lifted up by vandals.
3. Mounts directly on to step. Mounting holes are covered by flushing fitting caps that cannot be removed by hand.
4. Seat numbering plate of aluminum sheet stamping.
5. Hole to drain rain water.
